6 EPAs: 100%, 4 80% and 1 50%

Curriculum night September 10th summary of how it went.
May have conflict with elementary for parent teachers this year based on options. Suggested phone call options for PT interviews.

Safe schools is a PD focus this Friday. It will continue for staff.

Need to do a hold and secure this week.
Lockdown drill was completed and a good job by staff and students.

Every year staff need to watch fire safety training and medical videos (diabetes training) videos. Principal records these training sessions. Staff need to sign off on workplace violence plans.

Spoke about new messaging about respectful communication on any phone line within HRCE and also parameters on emails-bad language will be blocked and emails will be sent back. Staff open to problem solving but staff will not tolerate abusive or disrespectful language.

BBQ on opening day- was pouring rain. Students loved the BBQ.

Orange shirt taking place next Tuesday, no school on Wednesday next week Truth and Reconciliation Day.

Grants- We want to spend the money during the

	school year so we are supporting students. We purchased 12 chromebooks. Student support grant- \$7447 we use a lot of equipment, extra curricular activities. Sometimes supports field trips. Healthy Grant- \$10 000 Milk fair trip for grade 6's. Cultural, Healthy, best support students well being. SSP- RWM8 data we do not have yet. RWM6- will also be online- they do sections of math and literacy in one day. All done online. There is a dictionary in the program and other tools to use. We will develop specific goals on Friday for this year. We will be bringing assessment Literacy they want us to bring in explicit instruction, guided instruction etc. Well being-getting to know your students. Staff will have afternoon to go through Tienet to ensure they are familiar with their students. Shared the positive start to the year reported by all staff, new staff and admin. Code of conduct chats by vice principals in the cafeteria. All homerooms have had chats regarding how we handle code of conduct. Shared with students that if behaviour affects the school community, we apply code of conduct. Every student deserves the right to feel safe physically, emotionally and mentally- even online issues if they carry into school we will apply a code of conduct. 3 simple rules summarize the code of conduct.
